

Pays Nantais

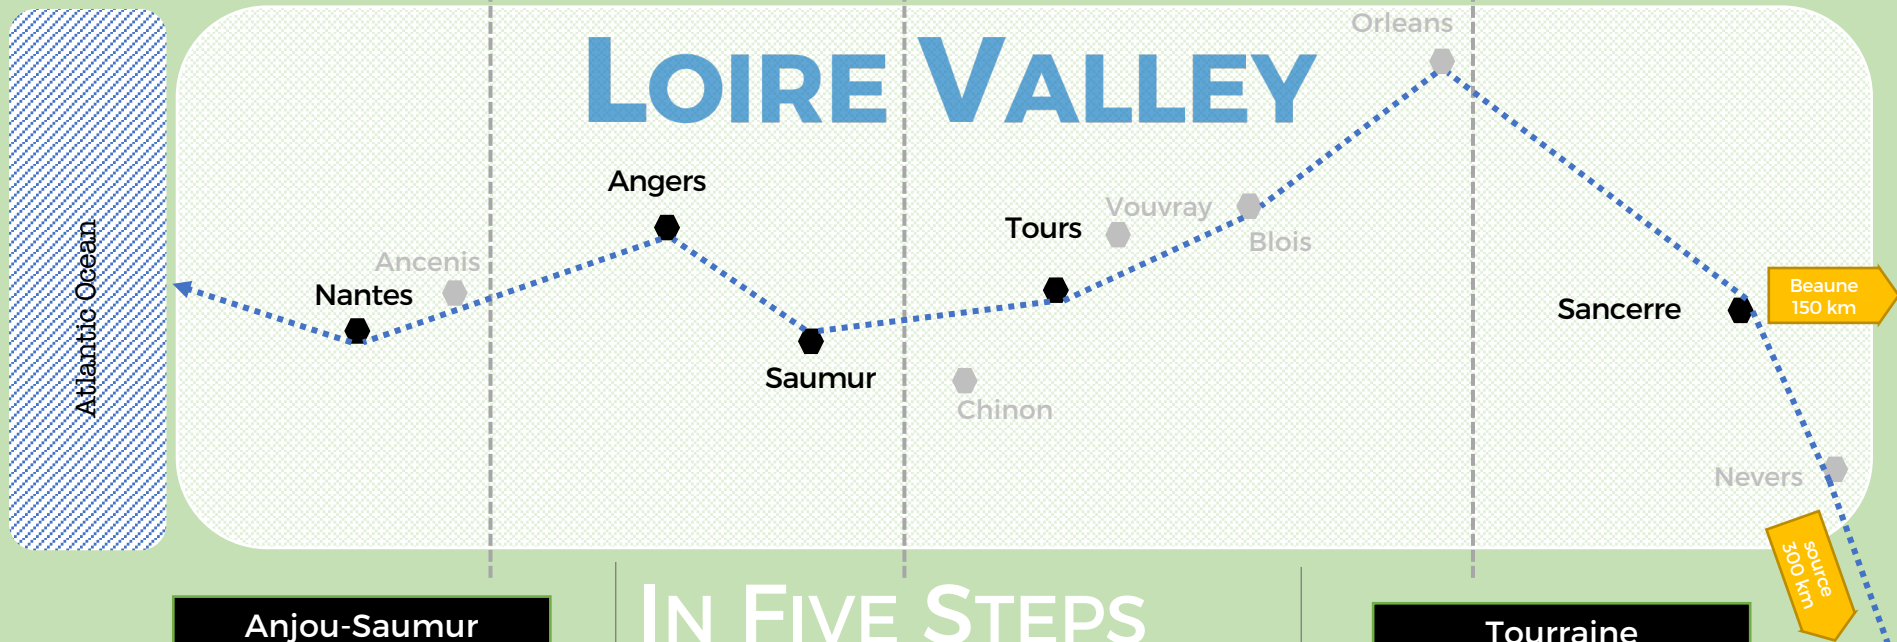

- Muscadet made from Melon de Bourgogne either made fresh perfect for seafood or full-bodied as sur-lie

Central Valley

- Famous Sauvignon Blanc Sancerre and Pouilly-Fume
- Limestone soil with intersperse silex flint for characteristic minerality & smoky gunflint note

THE

LOIRE VALLEY

Anjou-Saumur

- Sparkling Chenin Blanc from Saumur
- Anjou is home of praised white wines with long aging potential

IN FIVE STEPS

...and at 500+ km / 300+ miles length =

- 👉 climates from continental to maritime;
- 👉 soils like schist, limestone, tuffeau, sandstone or Armoricaian rock and more;
- 👉 large selection of grape varietals and styles.

Touraine

- Fairy-tale castles and Cabernet France rich in tannin
- The Loire's signature variety Chenin Blanc from dry to sweet, sparkling and still.
